EDUCATION

Istanbul Aydin University   **06/2023**
Bachelor's degree, Computer Engineering   *Istanbul, Turkey*
- 3.23/4.0 GPA

SUMMARY

Entry-level Front end developer, full stack developer and computer engineer, with almost 1 year work experience seeking a challenging position to utilize my technical expertise and creative problem-solving abilities in developing user-friendly and visually appealing web applications with strong and clean back end.

WORK EXPERIENCE

Hubinit   **11/2022 – 02/2023**
UX/UI and Front end developer Intern   *Amsterdam, Netherlands*
- Collaborated with a team of developers to design and implement user interfaces for web applications.
- Developed responsive web pages using HTML, CSS, Bootstrap, WordPress elementor and Figma, and JavaScript, ensuring compatibility across multiple browsers and devices.
- Integrated front-end components with back-end systems, working closely with the development team to achieve seamless functionality.
- Finished developing companies' website in 1 week.
- Conducted thorough testing and debugging to identify and resolve issues, optimizing the performance and user experience of the applications.
- Actively participated in Agile sprints, providing regular updates on progress and contributing to sprint planning and retrospectives.

HediyeSepeti   **10/2020 – 02/2021**
Back end Developer Intern   *Istanbul, Turkey*
- Developed and maintained web applications using PHP, MySQL, and Laravel framework.
- Designed and implemented efficient database structures and optimized queries to ensure optimal performance and data integrity.
- Implemented RESTful APIs to facilitate data exchange between the front-end and back-end systems, ensuring seamless communication.
- Worked with version control systems (e.g., Git) to track and manage code changes, facilitating collaborative development.

Appen   **04/2023 – Present**
Data Collector   *Remote*
- Working on project crescent, labeling data, tagging videos and images, and reviewing search engine results.
- Coordinated, scheduled and executed in-depth data entry projects.

CERTIFICATIONS, SKILLS, INTERESTS & LANGUAGES

- **Certifications:**

- o Front End Development Libraries - freeCodeCamp. [Certificate](#)
- o React.js Code Challenges - LinkedIn. [Certificate](#)
- o React.js Essential Training - LinkedIn. [Certificate](#)
- o React: Creating and Hosting a Full-Stack Site - LinkedIn. [Certificate](#)

- **Skills :**
  - HTML5
  - CSS3
  - JavaScript
  - Redux
  - Bootstrap
  - Tailwind
  - SASS
  - jQuery
  - React
  - React native
  - PHP
  - Laravel
  - Node.js (Express.js)
  - Axios
  - Auth0 and Firebase
  - RESTful APIs
  - Responsive web design
  - Web development
  - Search engine optimization (SEO)
  - Git and Agile methodologies
  - UI/UX design and Figma
  - Object-oriented programming and Java
  - Amazon Web Services (AWS) and Google cloud
  - WordPress
  - SQL , mySQL and MongodB
  - Networking, AI, embedded systems, cyber security, and information systems security.
- **Soft skills:**
  - Problem-solving and debugging skills.
  - Effective communication.
  - Collaborative.
  - Detail-oriented and committed to delivering high-quality code with consistency.
  - Eager to learn.
  - Passionate.
  - Strong time management skills, and consistent, handling multiple projects simultaneously and meeting deadlines.
  - Flexible

- **Interests :** Body building; swimming; video games; Anime.
- **Languages:**
  - o Arabic : Native
  - o English: Full professional proficiency
  - o French: Intermediate
